PRODUCTION

www.enbee.co.zw

Enbee Manufacturing was set up to ensure that the high quality and standards demanded by Enbee Stores management were met and maintained to protect and enhance the Enbee name.

Only high quality fabrics with proven durability are sourced. Sufficient stocks are procured to maintain a regular and constant supply of high grade uniforms. A team of dedicated and skilled workers (tailors) managed by a qualified and experienced designer, ensure the production of high quality garments.

ENBEE STORES

The Ministry of Tertiary Education has revealed that there are approximately eight thousand five hundred (8500) registered schools in Zimbabwe.

Enbee has a comprehensive database of all schools, school population, and gender and age groupings. This enables us to plan and forecast the needs and requirements of each school well in advance, and provide adequate stocks to meet the demand.
